

## **It's Fall! Vocabulary List**

### **Grades: PreK - K**

To maximize the effectiveness of your "It's Fall!" program at The Morton Arboretum, please familiarize your students with the following vocabulary words. This will be most effective just before the program.

**Autumn** – the season of the year between summer and winter

**Hibernate** – to pass the winter season in a resting or sleeping state

**Migrate** – to move between areas with the changing of the seasons

**Season** – one of the four divisions of a year

**Survival** – the process of staying alive, using whatever means available
